EXECUTIVE OFFICE OF THE PRESIDENT  
NATIONAL SECURITY COUNCIL  
WASHINGTON

January 29, 1960

MEMORANDUM FOR ALL HOLDERS OF NSC 5814/1:

As indicated by NSC Action No. 2174, the Joint Meeting of the National Security Council and the National Aeronautics and Space Council, on January 12, 1960, adopted the statement of policy on "U. S. Policy on Outer Space" contained in NSC 5918, subject to the amendments set forth in NSC Action No. 2174-b.

The President, in approving on January 26, 1960, the statement of policy in NSC 5918, as amended and adopted by NSC Action No. 2174-b, directed that it be circulated for implementation by all appropriate Executive departments and agencies of the U. S. Government as a National Aeronautics and Space Council paper but not as a National Security Council paper; and referred it to the Operations Coordinating Board as the coordinating agency, with the understanding that the Administrator, National Aeronautics and Space Administration, will be invited to participate with the Board on this subject.

The report by the National Aeronautics and Space Council on "U. S. Policy on Outer Space", adopted at the January 12, 1960, joint meeting and approved by the President on January 26, 1960, supersedes NSC 5814/1 ("Preliminary U. S. Policy on Outer Space"). The NASC paper is being given a limited NSC distribution by separate memorandum.
